

Uniform Information

**Uniform Shop opening hours: 8.30am - 9am Monday - Friday
BASC (Before and After School Care).**

Uniform regulations: Girl's tights - black/grey/navy, shoes- sports trainers/sneakers recommended (no wheels and no flashing lights), leather shoes acceptable - plain black/brown/navy blue. If students choose to wear sandals, they should be sporting types - easy to run in: black, brown, grey or navy blue (no high heels). Students should be able to put their shoes on independently - velcro fasteners are a good option if students cannot tie shoe laces. Thermal underwear/tops can be worn under uniforms, but, must not be visible at any time (classrooms are warm so students sometimes take sweatshirts off inside, even in winter). Coats - any type of coat can be worn, but not inside the classroom. It is useful to have a light weight waterproof coat for class trips.

Jewellery - Watches.

Cultural or religious items can be worn but must be tucked under clothing, if possible.

NAME	SIZE	PRICE	SIZE	TOTAL
